

wildsole

Kids Size: UK 2

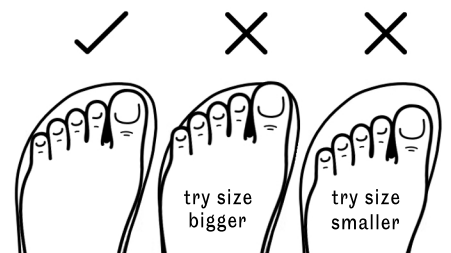

Instructions:

Use the Accuracy Checker to make sure the template is printed to actual size or 100%.

Place this template on a flat surface.

Ask your child to stand their LEFT foot on the template making sure the hole falls between their big and second toe.

Find your child's best fit they don't want a lot of room behind their heel or in front of their toes.

For expert guidance take a photo the front and back of your child's foot on the nearest template and email to: hello@wildsolesandals.com
