

# wildsole

Size: UK 6

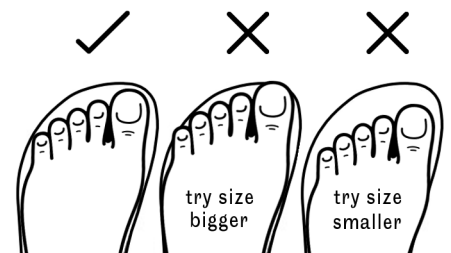

## Instructions:

**Use the Accuracy Checker** to make sure the template is printed to actual size or 100%.

**Place this template** on a flat surface.

**Stand your LEFT foot** on the template making sure the hole falls between your big and second toe.

**Find your best fit** you don't want a lot of room behind your heel or in front of your toes.

**For expert guidance** take a couple of photos of your foot on the nearest template and email to: [hello@wildsolesandals.com](mailto:hello@wildsolesandals.com)
